

**MATERIAL (COLORS AND DECORS)** Mat-M033\_ME\_EN - 12.08.2023 - [www.vs-furniture.com](http://www.vs-furniture.com)

**Metal colour:  
M033 light green ( ≈ NCS S 1060-G70Y ).**

**Metal parts.** Steel and aluminium are mainly used in the manufacture of chairs and tables but also for racks. At VS, tubes as well as metal sheets for fronts are generally epoxy-resin powder-coated. In addition to various metal colours, selected products can also be chrome-plated.

**Important note.** Material and colour charts produced by printing can deviate slightly from the original and the colours are not necessarily exactly true. The same applies to ink-jet or laser prints from PDF files. Information on colour systems (e.g. NCS, RAL, Pantone) are always approximate values.
