## Serie 901 Post with V-shaped foot, post with disc foot.

Constructed of powder-coated round steel tube with a V-shaped skid or a disc foot with stainless-steel cover. Both are available with levelling screws.

**Table height.** Posts with V-shaped and disc foot are available in fixed heights or with height adjustment in steps whereby the table top, thanks to a special joint, can be either raised or lowered without having to release the ratchet mechanism again.

The following material groups are available to choose from: Frame made of steel tube: M2.
