## Series 901 Rectangular table with C-shaped foot, cubic pedestal.

Construction with a centrally-positioned tubular-steel cross-member with welded-on brackets.  
 Table top of a LIGNOpal (melamine-resin), veneered or linoleum covered chipboard with plastic or wooden edges.  
 The corners are either square or rounded. Optional sliding top.  
 Electrification (optional) is provided 1.) by means of push-on plastic cable clips or 2.) by a fabric trough which is hinged on both sides.  
 Cable outlets (optional) are achieved 1.) through a maximum of 4 metal outlets or 2.) by means of an E-Box for power and data connections, in each case on the left, in the middle and on the right.  
 Supporting element (refer to table for position) consists of a C-shaped foot of powder-coated steel and a docking position for a cubic pedestal. Foot with optional step height adjustment.  
 The following material groups are available to choose from: Frame made of steel tube: M2; Top made of LIGNOpal-plastic/beech: L6; Top made of linoleum: L8; Top veneered: F1.

...-CFVW ...-VVCF	The table heights printed light grey are not possible with the listed supporting elements.
